Minutes for March 7, 2007 reviewed and passed.

**Continuing Education**

There was discussion on continuing education for distance learning due to the process and test taking. Electrician Certification Consultant, a private post secondary school, spoke regarding continuing education benefits and advantages through online services. Their curriculum mirrored the approved existing curriculum for General Electrician.

**Continuing Education for Instructors**

Discussion was whether an instructor who is certified and has more than 1 classification should take more than 32 hours of continuing education. Discussion was made that instructors who are certified with more than 1 classification should only take 32 hours of continuing education.

**Rule Making**

A regulation draft was passed and the Chief requested that committee review draft and make comments. A meeting was scheduled for June 6, 2007 to reconvene for input in draft regulations.

**Curriculum**

Luisa will meet with subject matter experts on curriculum for Voice Data Video and Non-Residential Lighting Technician and report back.

**Website Update**
